Order Details: (please tell us who this is for and give us all the details you want included on the hoodie). Use a separate line for each hoodie so we get it just right for you. All hoodies come standard with chenille 'K' on left chest. You do NOT need to buy a hoodie to get a season patch pass, but it would be amazing to see our fans looking like a team. When ordered, your hoodie will come with your patches and you can iron-on yourself.
